From Our District Governor

It's time to Soar Like the Eagle

By André Marria

We are moving into the home stretch of our Flight! You have done an amazing job of collaboration, building new friendships, and relationships! I am so proud of all we have accomplished! Let's Finish Strong!

To encourage you along the way, let's examine a few lessons we can learn from the Eagle.

The Eagle is mighty and majestic; so are we!!

Eagles fly alone or with their Kind. We too are looking for likeminded individuals as leaders. Jennifer Jones, PIP, has said: "We are on a journey in Rotary seeking leaders who have different talents, abilities, and values, and when we allow them the opportunity to work together, we work in a more inclusive and welcoming community for people." The Freedom Series This Friday, February 2 at 2:00 PM via Zoom

By Gillian Leggett

I want to invite you to some very special Zoom meetings that I know are going to be very exciting! The Rotary Satellite Club of Stone Mountain Passport with the RLI Sunshine Division started sponsoring a series of 4 presentations called the "Freedom Series" which began on November 6, 2023. At that meeting, we heard from WWII Pearl Harbor Veteran, Herb Elfring. The event was well attended, and Herb shared his memories of what it was like to be near the action when Pearl Harbor was bombed. We received fantastic feedback from attendees.

The second speaker is scheduled for Friday, February 2, 2024 (via Zoom from 2 pm to 3 pm EST and you won't want to miss hearing him speak! We are honored to have Lt. Col. Harry T. Stewart – Legendary Tuskegee Airman! Please do everything you can to attend and support this event. This event is a collaboration between a D6900 Satellite/Passport club and RLI Sunshine Division to bring history making leaders to our District sharing their stories.

Because of the high demand for this series, you are asked to preregister by following this link. When you have registered, you will receive an email with a Zoom link before the event this Friday. We look forward to seeing you there. [more]

Laws of Life Helps Teachers Build Relationships

by Linda Hatten, Program Manager

By Linda Hatten

The Georgia Laws of Life Essay Contest has become a key lesson for English Language Arts classes, fostering meaningful connections and understanding among students and their teachers at many participating high schools. Amanda Howell of Rome High School shared her initial perception of the essay contest, admitting that she initially viewed it as just another assignment for grading. However, upon reading the first essays, she was amazed by the depth and uniqueness they brought.

"Our relationships with our students have become so much richer and our ability to connect with those 180 students has been made so much better" Howell states. Reflecting and writing the essay has led to life-changing perspectives, from student stories of resilience in overcoming challenges in foster care to discovering purpose through simple moments with family. Our Rotary Foundation

Challenge Accepted, DG Andre!

By Mandy Timmons

At the beginning of the new Rotary year, the **Rotary Club of Peachtree City** was given what seemed to be an unattainable goal for Foundation Giving for this year. Due to our record-setting year in 2022-2023 of $97,000, our goal for this year was set at $100,000 to be eligible for any district citations for the year.

President Amy and Foundation Chair Will knew this would be one of the biggest challenges for the year and would need 100% participation from our club and our community to reach this goal.

As with most things in Peachtree City, though, we did not shy away and simply put our heads together to come up with some creative ways to reach the new goal. We are proud to say that we have reached 110%+ of our goal for the year (over $110,000 in Foundation giving) already by January 1 through these efforts and the commitment of our entire membership and the extended community! This project is funded by a competitive grant awarded by Rotary District 6900 and has positively impacted the mental health of hundreds of elementary students in need. [more]

Peachtree City Hosts Only Winter Half Marathon on Atlanta's South Side

By Holly Davanzo

The only half marathon on the south side of Atlanta during the winter months led to an amazing event hosted by the Rotary Club of Peachtree City! The frigid temperatures for an 8:00 start time didn't stop 600+ runners from showing up for our first (of many to come) half marathons in PTC! With the history of the club hosting the Grand Prix Series for the last 18 years, it was an easier than expected transition into a Half Marathon. "Run the Paths" was the theme as 90%+ of the course was across the golf cart paths of Peachtree City. With support from over 100 local (non-Rotarian) volunteers and ALL of the club members, it was a very successful event – raising funds for our charity partners and bringing our community together in a big way!
