Happy Holidays & New Year!

Sharing The Magic Over The Holidays

By Gordon Owens

I hope you and your family had a wonderful holiday season and the new year is off to a great start. December was certainly a special time of year as our clubs shared the magic of Rotary through projects like the jingle jog fundraiser, holiday ham haul for first responders, shop with a cop, Salvation Army bell ringing, presents from Santa for children in need and teaching our youth the Giving Side of Christmas. It was a pleasure to get to participate in many of these and a personal highlight was getting to play Santa to hand out presents with the Jackson-Butts Club. These are just a few of the ways in which our clubs had a positive impact in their communities during the holidays. I look forward to seeing all the amazing ways in which our clubs continue to share the *Magic of Rotary* throughout 2025, Happy New Year!

2023-2024 Annual Report

John Hewko Shares Our Annual Report

By André Marria

We are building a healthier, more resilient, and more peaceful world. I invite you to be among the first to read about the difference we're making together in our **2023-24 annual report**. We have reason to celebrate. More than 400 million children were vaccinated against polio in 2023, with the support of Rotary and our polio eradication partners. We also have much to be thankful for and to hope for in the future. Our donors contributed more than US$417 million in gifts and commitments, and we awarded US$82 million in total funding to more than 1,200 global grants.

The stories about our impact and supporters, alongside the financial information, in this year's report testify to the strength of our partnership. I have confidence in the good the Rotary community will continue to achieve together, locally and globally. [more]

Our Rotary Foundation

Take a New Look at the Rotary Foundation

By Bob Hagan

Greetings and Happy New Year from your District Foundation Chair! It seems only fitting that as it is a new year, I should send this month's message to New Rotarians. We tend to get so caught up in the business of Rotary that we sometimes forget that not everyone, particularly our newer members, might not be as familiar with all the functions as they would like. So, this month I want to focus on the History of the Foundation specifically. Therefore, if you are a seasoned Rotarian, you can take this month's message off. However, before you do, I might point to this month's quote. [more]

Have you taken the Plunge? Anyone can!

By Paul Ray

The Polar Bear Plunge 2025 is very close, but there is still plenty of time for YOU to raise some serious money! This is the absolute easiest way to raise funds for any charity you support.

Does your Rotary Club or other organization you support need to raise money? On February 1, 2025 the Rotary Club of Alpharetta will host a ready-made fundraiser just for you! We are Freezin' for a Reason! Our 8th annual Polar Bear Plunge lets you create your own team, raise funds, take the "plunge", and get a check! Last year the average team earned around $5000.00! The sky is the limit for you, so start a team today! You do not need to come to Alpharetta to participate. You can plunge in whatever body of water near you. Last year we had teams in Utah and Brazil. The sooner you start, the more funds you will raise.

Start a team today to get those end-of-year charitable donations. Scan the QR code in the flyer and get started. [more]

Take Action to Secure Your Rotary Legacy

By Lee Hollingsworth

Children perform for visitors at the Mollejones Community Center in Costa Rica. In partnership with CATIE (Centro Agronómico Tropical de Investigación y Enseñanza), a group of women living near Turrialba, Costa Rica, launched an ecotourism cooperative to attract visitors and grow their community-based tourism businesses. Members of Rotary clubs in Cartago, Costa Rica, and in Denton, Texas, USA, partnered with CATIE to support the project through a Rotary Foundation global grant.

Join A Special Mega Meeting On Peacebuilding

By Gordon Owens

Join us in a special Rotary Mega-Meeting and Podcast with The Jimmy and Rosalynn Carter School for Peace and Conflict Resolution. This is a unique opportunity to meet the team educating youth to follow in the footsteps of Nobel-Prize winning President Jimmy Carter. Space is limited and seats are filling up fast, so please register now at: **Mega-Meeting.com.** We will be joined by Charles E. Davidson, Ph.D. who directs the school's Center for Peace Technology and heads the Rotary/Carter School Collaboration for Peace. "*For decades, the Carters tirelessly walked in the shoes of the people they strived to empower, transforming countless lives in the process,"* Davidson says. *"We teach our students to identify the underlying causes of conflict and equip them with the cutting-edge theory and practical skills to put their knowledge into action, whether that be at the local, national, or global level."* [more]

GRSP Update

Meet João Vilela, Class of 2024-25

by Katheryne Fields, GRSP Executive Director

By Katheryne Fields

João Victor Verçosa Vilela, 21 from Brazil, says that Rotary International's ideals, with an emphasis on service projects, international goodwill and cultural understanding, resonate deeply with his personal and professional objectives. He is attending Mercer University and since his arrival, this future diplomat has embraced his time at Mercer by being invited to take part on a reading group about Benjamin Franklin, being part of the Model Arab League, sharing his country's culture with other students and most recently nominated to a conference in California. Past District Governor Steve Stanfield

By Bob Hagan

Because of the tremendous influence PDG Steve Stanfield had on District 6900 over the last several decades, it is hard to know where to begin to celebrate the man. Therefore, I believe the best way is to start at the beginning. Born February 19, 1947, Retired Army Lieutenant Colonel Stanfield spent 21 years honorably serving his country and was Honorably Discharged in 1990.

PDG Steve joined the Rotary Club of Americus attaining his Blue Badge on August 1, 1993. He had an immediate impact at the District level, as he was instrumental in creating the Sheffield Leadership Award in 1994. The prestigious award is presented annually to District 6900 Club Presidents by size category who best exemplify the extraordinary leadership traits represented by the Sheffield family. [more]

Told By Senator John Albers

The Star Spangled Banner

By Nancy Alterman Roswell Rotarian, Senator John Albers worked with his home club to help produce a video to share with the 13 Interact Clubs they sponsor about the history of The Star Spangled Banner. The video turned out awesome and there is no reason to keep it a secret or to only use it for Roswell Rotary. Any club that would like to share the video with their Interact Clubs or other school organizations they partner with, feel free. You can **watch the video on YouTube** and share it from there. Enjoy! [more]

Ham Haul

Delivering Holiday Meals To First Responders

By Denise Starling
Buckhead Rotary brought back the holiday tradition of delivering Honey Baked hams, sides and pies to fire and police stations across Dekalb County this Christmas Eve. A small but mighty team help organize all the meals into a single bag making it easy for volunteers to pick up their assigned deliveries. Club members in partnership with Livable Buckhead and other community organizations made quick work of making the first responders working on Christmas Day merry and bright. We had a total of 48 volunteers who served 51 dinners to approximately 60 police and 185 fire fighters. There were approximately 150 hours of service logged for the event...Good will and better friendships created and it was definitely beneficial to all concerned! The club got awesome media coverage with most major news outlets featuring the story during their broadcast and online. All in, they reached an audience of over 225,000 people with the Magic of Rotary. **Check out this video from 11 Alive News.**

Griffin Builds Handicapped Ramps with Competitive Grant

By Janice Wallace

The Rotary Club of Griffin has utilized a Rotary District Competitive Grant to construct a few handicapped ramps, including this one which significantly improves accessibility for a local family's child with mobility challenges. Collaboration was a key component of this initiative. The Rotary Club of Griffin partnered with Griffin Habitat for Humanity, fostering a sense of communal responsibility and engagement.

Members of the Rotary Club of Griffin got their hands dirty, constructing the ramp themselves for the family in need in Griffin. [more]

Neill Ferrill, RC Vinings Cumberland

By Thomas House

In May 2022, beloved Rotarian and past president of Vinings Cumberland Rotary Club, Neill Ferrill, was diagnosed with a glioblastoma brain tumor. For 29 months he showed incredible strength participating in clinical trials, numerous rounds of chemo, radiation, and 7 brain surgeries. He continued to attend his Rotary meetings until almost the very end. His wife, Robin, would drive him to meetings and was his biggest cheerleader. Neill passed away peacefully in her arms in November. Neill will be remembered for his infectious smile and his quick wit. He believed in giving back to others, finding joy and gratitude in your present blessings, setting goals and working hard, making the most of every opportunity, and cherishing time spent with those you love. He will be greatly missed by so many including his Vinings Cumberland Rotary Club family. [more]
