From Our District Governor

Welcome to Our New Rotary Year!

By Steve Ivory

I'm truly honored to serve as your District Governor for 2025–2026. As we begin this exciting new Rotary year, I want to extend heartfelt thanks to DG Gordon Owens and the 2024–2025 leadership team for their outstanding service. Their vision, dedication, and commitment have built a strong foundation for us to build upon.

This year, guided by Rotary International's message - "*Unite for Good*" - and the principles of the Rotary Action Plan, our focus will be on growing our impact, expanding our reach, enhancing participant engagement, and increasing our ability to adapt. Together, we will continue to serve our communities, continue our efforts to eradicate polio, empower youth, and strengthen clubs through strategic and forward-thinking leadership.

As we unite for good, we'll also celebrate and do service projects with our "Service Heroes"—Rotarians, Teachers, Police, Fire, Medical, Mental Health, and Military personnel, who go above and beyond in service to others each and every day. I encourage each club to recognize and lift up these everyday champions of Rotary values. I encourage all club members to actively participate in their club and join teams and committees to help carry out the meaningful work that Rotarians are known for. [more]

End Polio Now

Could This Be the Year We Stomp Out Polio?

by District Foundation Chair Bob Hagan

By Bob Hagan
Remember we are this close to the eradication of Polio worldwide!! Eradicating Polio is still THE number One initiative of the Rotary Foundation. Every dollar counts and we still have the Gates Foundation 2-1-dollar match to go along with the goal of every Rotary Club pledging $1,500 per year. We can certainly meet our goal! How pleased I am that our Polio Chair this year is Wynita Cannon of the Rotary Club of Americus. Her cell is 229-886-7459. Wynita's email is: WLScannon@gmail.com Wynita is more than eager to assist with ideas, fundraising, programs, etc. Please reach out to her or me if we can help you in any way. Polio is a plane ride away. We must halt this terrible disease, and we are so close, so let's make that happen for the children of the world, they are counting on us! Let's work together to End Polio Now! [more]

RYLA

Let's Go Back to RYLA 2025!

By Jaclyn Donovan

Another great RYLA in the books! With the support of 33 clubs from around District 6900, RYLA 2025 directly impacted the lives of 104 students and we have high hopes for the positive change they will bring back home to their schools, teams, clubs, and communities.

The days were packed with a wide range of learning experiences on aspects of leadership such as communication, conflict resolution, teamwork, trust, and how personalities influence interactions. Students were given opportunities to build confidence in themselves while expanding their comfort zones. With the help of the Americus Rotary Club, we were once again able to bring in “Rise Against Hunger” for a meal packing service project that produced 14,256 meals for families in need. We fought with the South Georgia summer weather, but with a staff always prepared to pivot to Plan B we managed to complete all activities with minimal interruption. There was enough good weather to be outside when we needed to be and enough air conditioning to cool us off afterwards.

Heroes Among Us – D6900 Goes Above and Beyond!

By Lee Hollingsworth

Rotary Foundation fund-raising fun? Hardly. Look up "drudgery" and you'll see our assignment this past year: form a committee to reach out one-on-one to fellow Rotarians, explaining why we included the Rotary Foundation in our wills. Goal: inspire others from example to join us in the **Bequest Society,** the most painless way to give! We all knew that a strong and generous Rotary Foundation is the quiet, but essential, life-blood of Rotary's unique self-funded, and incredibly FUN, service to our fellow man.

It worked. This Rotary year, the committee TRIPLED the Bequest Socety Commitments from year prior!

Need help in YOUR club? Want to make Foundation fundraising easier—or more inspiring? Please lean on our experience. Especially if you're a PE or incoming Foundation Chair, reach out to our District Major Gifts Officer at Lee@leehollingsworth.com for ideas and support. [more]

Everybody's Job: Setting the Stage for Public Image

By Kathryn Igou

As we enter the next Rotary year with new teams, boards, and presidents, we are seeing the role of public image become even more significant. An important principle for our own Roswell Rotary PI team is *"If you don't tell people about it, it didn't happen."* In an era dominated by social media, instant videos, and continuous communication with numerous distractions competing for attention, it is crucial to ensure that the efforts of Rotary Clubs receive adequate exposure throughout the community. Griffin Daybreak Honors Local Fifth Grade Students

By Debby Daniel-Bryant

The Daybreak Rotary Club of Griffin honors exceptional fifth graders in the Griffin-Spalding School System every year. There are 11 elementary schools, so 11 students, selected by their teachers, are recognized by club members at their fifth-grade graduation programs. Rotarians present these students with a certificate and a medal after highlighting each student's accomplishments. Students and their families are also invited to a Daybreak meeting for breakfast and to be recognized as a group. This year, we had seven of the students and their families able to come to the breakfast meeting to be recognized - Riley Monroe (Orrs), Chloe Stone (Moore), Alejandra Tellez-Beltran (Jordan Hill), Vivian Benefield (Futral Rd). Messiah Stroud (Crescent), Kayden Lloyd (Cowan Rd), and Kendrick Sims (Anne St) - all pictured with Debby Daniel-Bryant, President Elect, Daybreak Rotary Club. [more]

Dunwoody Rotarians joined Anchor Place Respite Care in mid-June to celebrate a major milestone - the one-year anniversary of Anchor Place! Huge congratulations to Mary Cohen, the program's dedicated leader, who has guided this vital community resource from its early days to the thriving success it is today. A special shoutout to Rotarians Charlie Augello and Louise Barden for their unwavering support of this program.

During the celebration, Mary took time to recognize all the amazing supporters who made this first year possible, including RCD volunteers Louise and Ron Barden, Jackie Cuthbert, Fred Bounds, Tina and David Philpot, Les Woulfin and Anne Glenn.
