Everywhere you look, Rotary is there working. So who is helping to make that happen? [more]

World Polio Day - October 24!

Over the course of my two years plus as your District Foundation Chair, I'm quite certain you have picked up on my personal focus on the fight to eradicate Polio. I have personally had the honor of working with some incredible individuals in the field in India administering over 2,000 vaccines to children myself during my Rotary years of service. It is an experience I will never forget. And I'm writing today to ask for your continued support of our work to end Polio - as we approach World Polio Day on October 24. [more]

Find Your Voice: Why Every Rotarian Should Attend RLI

By Walter Marria, Jr.

I still remember my first Rotary Leadership Institute session. I was unsure of what to expect and walked out with a completely different sense of what it means to be a Rotarian. RLI isn't about memorizing bylaws or maybe checking a box; it's about discovering the "***why***" behind our service and finding our own voice as a Rotarian and leader. We hope that you will join us for RLI on January 30, 2027, in Thomasville, Georgia, at Southern Regional Technical College. You can register at **RLI - Sunshine Division.**

A Focus on Peace

Every Act of Service is an Act of Peace

From Our District Community Service Chair

By Laura McConatha

I learned a concept from a fellow Rotarian during our August 2024 Positive Peace Activator training that I had never considered before: "Every Act of Service is an Act of Peace". So, let's start there. We all know how important it is to have our basic needs met. Physical needs include clean water and sanitation, nutritious food, shelter and safe housing, basic health care, and physical safety - meaning freedom from violence, war and abuse. It's part of why the Eight Pillars of Peace Framework, developed by the Institute for Economics and Peace, was adopted by Rotary International. And part of what I'll be exploring with you in the district newsletter, starting with this article. [more]
